Innovative Bottling Line Solutions

BEVERAGES

Newmapak Ltd has been a trusted supplier to the beverage industry for the past 50 years. We have solutions for wine, sparkling wine, beer, spirits, soda, juices, water, milk and other types of beverages in a variety of containers, such as plastic, glass bottles and cans.

LIQUID FOODS

Liquid foods such as sauces, vinaigrettes, marinades, maple syrup, yogurt, condiments and juice with pulp require special attention when bottling. For either hot or cold filled applications, Newmapak Ltd can help you find finding the proper equipment for your needs.

PERSONAL CARE

Personal care products include a range of items such as sunscreen lotions, skin care products, hair care, liquid soaps and personal hygiene products. Newmapak Ltd has the experience and know-how to tackle both small and large-scale projects with ease. We take pride in finding solutions to complex problems.

PASSION & INNOVATION

Newmapak Ltd feels strongly about representing the most innovative product lines in the market. Our team combines passion for and commitment to the bottling industry with a flexible approach. This allows us to find standard or custom solutions that will allow your team to reach and even surpass its goals.
